2. THE SERVICE

2.1. Tunstall shall provide a service 24 hours a day, 365(6) days a year to receive requests for help and assistance from Service Users via the Social Alarm and communicate these requests for help to the customers and/or Service Users' nominated Contact (or Keyholder, where appropriate) in accordance with this Service Line and Tunstall's Operating Procedures.

2.2. Where remote release safes are provided by the Customer or a Service User, Tunstall will provide access only to the emergency services and other persons authorised by the Customer or the relevant Service User (as the case may be).

2.3. The Service does not include the provision of contact with the Customer's site wardens or other monitoring staff for the purposes of coordinating the onsite/offsite transfer of such staff or the collection and issuing of information and/or instructions to such staff in respect of such transfers.

2.4. The Service is intended for Social Alarm monitoring only and does not extend to any Service Users or Customer security systems, including the holding of related data or activation/de-activation codes for any alarm system or door entry system.

2.5. Where Tunstall are required to provide any part of the Service in a language other than English it will be necessary for Tunstall to engage a language interpretation service provider. The Customer will be charged separately for such services at the rates applicable from time to time between Tunstall and such service provider.

2.6. The Customer (Data Controller) confirms that it has the approval of the relevant Service User (Data Subject) to the disclosure by the Customer to Tunstall (Data Processor) of any of their information held by it about the Service User for

onward disclosure to anybody or person to whom a call has been relayed and the Customer agrees to such disclosure.

3. CUSTOMER DATA

3.1. The Customer Data is and remains the property and responsibility of the Customer and the Customer is responsible for the accuracy of such data during the continuance of this Service Line.

3.2 The Customer is responsible for meeting the obligations to carry out an annual data check, associated amendment, hard copy record retention and annual assessment questionnaires, which are all expressly excluded from the Service.

3.2. The Customer shall own all rights, title and interest in and to all of the Customer Data and shall have sole responsibility for the legality, reliability, integrity, accuracy and quality of the Customer Data.

3.3. Tunstall shall follow its archiving procedures for Customer Data as set out in its Back-up Policy available at <https://uk.tunstall.com/data-backup-policy/>. In the event of any loss or damage to Customer Data, the Customer's sole and exclusive remedy shall be for Tunstall to use reasonable commercial endeavours to restore the lost or damaged Customer Data from the latest back-up of such Customer Data maintained by Tunstall in accordance with the archiving procedure described in its Back-up Policy. Tunstall shall not be responsible for any loss, destruction, alteration or disclosure of Customer Data caused by any third party (except those third parties sub-contracted by Tunstall to perform services related to Customer Data maintenance and back-up).

3.4. If Tunstall processes any personal data on the Customer's behalf when performing its obligations under this Service Line, it shall do so in accordance with the Tunstall's Response Services Umbrella Terms.

4. TUNSTALL'S RESPONSIBILITIES

4.1. In order to provide all Service Users with such service and facilities as it reasonably considers appropriate, Tunstall shall:

- a) provide a service to receive alarm calls sent by means of the Social Alarm;
- b) as soon as practicable after it has been received, relay the alarm call to an available person nominated as a Contact or Keyholder or to such available service as Tunstall determines in accordance with the Tunstall Operating Procedures;
- c) where the Customer provides a responder service, treat such service as if it were a Service User's nominated Contact;

d) assess each case following verbal contact with any Service User using the details of the Service User's information supplied by the Customer and /or the Service User to Tunstall, in accordance with the Tunstall Operating Procedures. In exercising its discretion, Tunstall shall also be entitled to take into account all the relevant information known to it; and

e) if verbal contact cannot be established with any Service User, treat the alarm call as a request to notify the appropriate Contacts.

THE CUSTOMER'S ATTENTION IS PARTICULARLY DRAWN TO THE FOLLOWING PARAGRAPHS 4.2 AND 4.3

4.2. Tunstall will at all times be acting on behalf of the Customer in notifying any emergency service or Contact and Tunstall as a consequence shall not be liable for any outcome howsoever arising including charges made by an emergency service or Contact following a request for assistance by the Service User.

4.3. Tunstall's obligations in providing the Service shall under no circumstances extend beyond the obligation to receive and make reasonable attempts to relay alarm calls as set out above and Tunstall shall not be liable directly or indirectly for the failure of any third party (e.g. any emergency service, Contact, key holder or doctor) to respond appropriately when notified of the request for help from the Service User by Tunstall, including (for the avoidance of doubt) any delay in attendance following notification by Tunstall.

4.4. Subject to clause 4.1 (c) above, Tunstall will treat all information received by it in relation to Keyholders, Contacts and personal circumstances as confidential.

4.5. Tunstall will, for training and audit purposes, take reasonable measures to ensure that calls made via the Social Alarm System are voice recorded and the Customer confirms that it has the approval of each Service User to such recordings being made.

5. THE CUSTOMER'S RESPONSIBILITIES

5.1. The Customer shall not abuse or permit any person to abuse the Service, by making persistent calls without reasonable cause contrary to Tunstall's Fair Usage Policy (as the same may be amended by Tunstall from time to time and notified to the Customer).

5.2. At the commencement of the Service, the Customer shall obtain all Service Users' information and details required by Tunstall for the performance of the Service and submit them to Tunstall. During the continuance of the Service the Customer shall promptly notify Tunstall of all changes to such information.

5.3. The Customer shall notify Tunstall of any changes to a Service User's personal details including but not limited to Contacts, Keyholders, doctors (who may be contacted by Tunstall). This list is not intended to be exhaustive, and the Customer may be required to provide other details that are required to enable Tunstall to provide the Service. The Customer shall communicate any changes to the same to Tunstall as soon as practicable, unless the Customer has a separate remote access Agreement with Tunstall to enable the Customer to make its own changes remotely. **FOR THE AVOIDANCE OF DOUBT, THE CUSTOMER IS SOLELY RESPONSIBLE FOR THE ACCURACY OF THE DATA USED BY TUNSTALL IN DELIVERING THE SERVICE.**

5.4. For the avoidance of doubt, the information and personal details to be provided to Tunstall by the Customer pursuant to clauses 5.2 and/or 5.3 shall not include information relating to a Service User's medical history or medical conditions (including any medicines or other treatments) and the Customer shall not supply and Tunstall shall have no requirement to retain or process any such information or details.

5.5. The Customer shall ensure that in respect of each Service User Tunstall has been provided with a minimum of at least two (2) Contacts for every connected Service User and the Customer will at all times keep Tunstall up to date following any changes to the identity of or the contact details of the Contact.

5.6. Where the Customer provides a responder type service it is the responsibility of the Customer to provide Tunstall with contact details for such a service and to co-ordinate the response to the Service User when a monitoring call is received.

5.7. The Customer shall promptly notify Tunstall of a change to the installation address of any Equipment.

5.8. The Customer shall ensure that only the Equipment shall be connected to the Social Alarm and it is correctly programmed to operate with Tunstall's monitoring/receiving centre system.

5.9. The Customer shall have in place at the Customer's expense appropriate Service Agreement for the Equipment to ensure that it is maintained in a condition that allows Tunstall to properly deliver the Service to each of the Customer's Service User's.

5.10. In the event that the connection of the Equipment to the Social Alarm adversely affects the proper operation of Tunstall's monitoring equipment or otherwise has an adverse effect on the provision of the Service, the Customer shall immediately take such action as is necessary to rectify the situation, including returning any non or irregularly functioning Equipment to proper operation or

disconnecting irregularly functioning Equipment from the Service until such time as it has been returned to proper operation.

5.11. The Customer shall provide Tunstall with a contact number for the responsible authorised Customer representative which must be staffed 24hrs per day 365(6) days per year to enable Tunstall to escalate matters (including those matters detailed in Clause 5.10) outside Tunstall's responsibilities under this Agreement.

5.12. The Customer shall ensure that all Service Users and Contacts are made aware that both communication via the Social Alarm and the telephone with Tunstall may be voice recorded.

5.13. The Customer shall carry out regular local testing of the Equipment.

6. PROPRIETARY RIGHTS

6.1. The Customer acknowledges and agrees that Tunstall and/or its licensors own all intellectual property rights in the Service and any voice recordings made pursuant to clause 5.12. Except as expressly stated herein, neither this Service Line or the Tunstall's Response Services Umbrella Terms grants the Customer any rights to, or in, patents, copyrights, database rights, trade secrets, trade names, trademarks (whether registered or unregistered), or any other rights or licences in respect of the Service or any related documentation.

6.2. Tunstall confirms that it has all the rights in relation to the Service that are necessary to grant all the rights it purports to grant under, and in accordance with, the terms of this Service Line.

7. CHARGES & CANCELLATION

7.1. Charge per connection: the charges set out in the proposal document or renewal agreement entered into between the Customer and Tunstall or, if no such agreement is entered into, Tunstall's rates prevailing at the time.

7.2. Invoice frequency: the frequency set out in the renewal agreement entered into between the Customer and Tunstall or, if no such agreement is entered into, monthly.

7.3. Monitoring Costs: All connections to the Social Alarm, (including dispersed dwelling, scheme dwelling and scheme communal connections) will be charged the connection charge. Each invoice may vary according to the number connections on the call handling system at the time of invoice.

7.4. The connection charge may vary depending on the call volumes (see Call Volumes below) or if the service differs from Tunstall standard practice or should the

administration or call handling processes involved in delivering the day to day service be more complex than Tunstall standard procedures.

7.5. Call Volumes: Tunstall has estimated its charges for this service on an average of 1.7 calls (inclusive of inbound calls and associated outbound calls) per month per connection with a length of 3 minutes per call averaged across all connections. Should call volumes (including length of calls) for the service provision be greater, Tunstall reserves the right to increase the connection charge.

7.6. Peripheral equipment: The charge includes for the monitoring of up to 2 peripheral sensors (connected to the call handling equipment) per dwelling, averaged across all dwelling connections at the outset of the service provision. Should numbers of peripheral sensors connected to the call handling equipment exceed this Tunstall reserve the right to increase the connection charge.

7.7. Tunstall Response Monitoring Services shall automatically renew unless cancelled before expiration of the existing term and the then current terms available at <https://www.tunstall.co.uk/response-monitoring-service> shall apply to any renewal period and these terms shall be deemed to be replaced by the said terms.
